

Daily Workflow & How to Structure Your Chats

From Antoinette's notes and model calls. Her rules: check tasks + new VSL leads first · new leads and booked calls first · **tasks cleared every day**.

Your day

When	What
Before 9am (15 min)	Slack #1-new-apps → claim it (tick) → Acknowledgement text to overnight apps + task for 9am · check today's tasks · Freeman's calls today: confirmed? videos watched? Notes for Freeman? · /queue
9:00-10:30	Speed to lead: new VSL leads not contacted yet. Booked calls / New Opportunities first. Morning check-in for anyone on Freeman's calendar today.
10:30-12:30	Qualify booked leads → videos → confirm or cancel. Timed tasks. /freeman-notes for today + tomorrow.
Midday (30 min)	Admin: notes, statuses, opportunities (booked = opp with date, no-show = New Deal Lost), Airtable rows.
13:00-16:00	Untimed tasks: New Opps → VSL FU1/2/3 → “watched the videos?” → under £5k → webinar → no-shows → nurture.
Around Freeman's calls	15 min before: Few Minutes reminder. After: showed? No-show → Rebook text + call, New Deal Lost, Setter Pipeline, task in 2 weeks.
17:00-19:00	Second attempts: 9-5 workers answer now. Webinar discovery video calls.
End of day	Every task cleared (done or rescheduled). /eod. Send tomorrow's “call tomorrow” reminders.

Tip

At uni or work? Keep #1-new-apps notifications on. Can't call → Acknowledgement text within minutes + task for your next free slot.

Weekly: Friday → videos to Monday's bookings for the weekend, then /weekly. Booked a week+ out → a touchpoint every 2-3 days.

The call: a conversation, not a questionnaire

Stage	Easy way in
Open it up	"I just wanted to get a better idea of where you're at, what's got you interested in property and why now." Then listen.
Their story	"How long have you been looking into it? Done any courses or webinars?" "What do you do for work?"
Goal + pain	"What would that actually mean for you?" Write their words down.
Money	"You put [X] on the form. Ready to go, or would you look at a payment plan?"
Who decides	"Is this just you, or is someone doing it with you?"
Ready?	"If it makes sense on the call with Freeman, ready to act now or looking for info?"
Route + next step	£5k+ → rent-to-rent only. £3-5k / nervous → Management. Book + confirm, or videos + a callback day.

The note: Antoinette's format

- Headline (e.g. "Great convo")
- Age / family · how long researching · other webinars or mentors (paid or free)
- Why they want mentorship
- Based · Work (job, hours) · career goal
- **Goals: their words**
- **Funds: £ + liquid / credit**
- Decision maker (alone / partner / friend + name)
- Knows about R2R / Management · Next step

"Example (Lurelle, closed): 27, single mum, 7-yr-old daughter · researching ~1 yr, free webinars incl. Samuel Leeds · Based East London · Law grad, probation prosecutor, WFH · **Goals: financial stability, choices, better life for her and her daughter** · **Funds: ~£5k liquid + credit** · doing it with friend Nathaniel · only knew R2R, also discussed Management"

Texts

- First name, say who you are, one ask per message. Trim Antoinette's longer templates for quick back-and-forths.
- One text per call attempt. No double-texting.
- Paste WhatsApp chats into Close as a note.
- DQ → status DQ → **Tye — DQ: Thank You + YouTube** email.

Model calls to listen to (in Close)

- **Lurelle Edwin** (14 min, closed): every qualifier gathered through casual chat.
- **Tolulope Saseyi** (9 min): £3k → Management, videos sent, callback Friday.
